## Honolulu City Council Adopts Resolution Urging the Revision of Ordinances and Codes Affecting Sustainable Communities Plans

*City Council Resolution 04-54 urges the Mayor to initiate an examination and revision of the land use ordinance and all applicable development codes*

HONOLULU, HI – The Honolulu City Council unanimously voted to adopt Resolution 04-54. Originally introduced by Council Chair Donovan M. Dela Cruz, Resolution 04-54 urges the mayor to expedite revision of the Land Use Ordinance (LUO) and applicable development codes to implement the revised sustainable communities plans and development plans, special area plans, and community master plans.

“The communities have put a lot of time and effort into building consensus on their master plans,” said Honolulu City Council Chair Donovan M. Dela Cruz. “The residents of a community understand what it is that they need. Including their vision is the key to developing a community plan of which we can all be proud.”

The resolution urges the mayor to revise the LUO and applicable development codes to reflect the vision and policies of each newly revised development plan or sustainable communities plan. Each plan was developed with professional guidance and community input. Amending the LUO will be an important first step to accommodate the community improvements envisioned within each plan and accommodate growth without sacrificing community character.

Honolulu City Council Chair Donovan M. Dela Cruz represents Council District 2, which includes Mililani Mauka, Wahiawa, Whitmore Village, Mokuleia, Waialua, Haleiwa, Waimea, Pupukea, Sunset Beach, Kahuku, Laie, Hauula, Punaluu, Kahana, Kaaawa, Kualoa, Waiahole, Kahaluu, Ahuimanu, and a portion of Heeia.
